INDIVIDUAL REPORTS

VICE PRESIDENT

Emma: We went to Joint College Officers and had a good chat. JCR Comm generally seem to really like the catering trial, apart from one person.

Lydia E: We're going to have another vote to see if we should do it next term. They're trialling another college because Trevs actually has one of the highest percentages of people not skipping meals.

OUTREACH OFFICER

Theo: There will be some year-abroad reports in the next weekly email.

POST OFFER VISIT DAYS

Xander: We have not yet elected senior freps and they're usually on the Visit Day rep interview panel. I've put together a shortlist of yes-s and maybes with Dan and Laura and my plan is to just give the maybes the benefit of the doubt. So even if we had senior frep(s), they wouldn't affect our decision to interview. Then, we just have to hope that they are elected in time for interviews.

Mike: If not, it's not the end of the world. They don't have prior experience.

General agreement that it is not a problem if interviews proceed without Senior Frep(s)

TREVS NIGHT PLAN

James gives the exec the Trevs Night plan including loads of awesome-sound entertainments!

JCR COMM FEEDBACK

Emma: How can we stop people breaking things? Can we take away services?

Mike: That went down very badly when Hatfield did it.

Mary: But that was to get people to vote. We can't normalise this behaviour.

Nat: Maybe we could take away one thing.

ANY OTHER BUSINESS

HALF COLOURS

Mike: We had two nominations for half colours so we'll do that on Sunday and let their friends no.

LAST JCR MEETING

Mike: Jack Reed will chair a little of this to get some experience.

CONDOMS

Lydia K: Grace can you order some more condoms?

Nat: Skyn condoms look like After Eights.
