ABSENT

INDIVIDUAL REPORTS

Grover: Not much new, I do my job, it gets done. I've had one application for Bar sabb.

Dan: Please keep pushing Post-offer visit day rep applications because not many have applied. And I'll finally be putting up the Trevs map soon yay!

Mary: I had DSO forum and lunch with the Pro-Vice Chancellor this week. The DSO framework is getting reviewed. We talked briefly about the role of the Frep, with some changes due hopefully by next year. Also, there was some talk about livers-out being able to benefit from meal seconds. At my Alumni Committee meeting, we talked about Rose's careers weekend plans and the progress on the garden of reflection.

Christian: I had Academic events committee, college are looking to potentially start a wellbeing committee.

Laura: I had a WAComm meeting, the Mental Health Awareness and Shag week campaigns are coming up soon, as are an invisible disabilities campaign and LGBT+ Bar night.

Nat: SU nominations closed today and assembly is coming up on Thursday.

Alistair: TCUP closes on 14th of February, Dream Scheme is heating up.

Jeremy: I had a drop-in yesterday.

Saška: I put things from the office back into the garage. We're getting a big cheque for the charity ball earnings.

Abby: The second outreach project is coming up soon.

Danielle: Formal is reasonably full now!

Jack: Had a JCR meeting yesterday, I'll talk about soon.

JCR MEETING REVIEW

Jack: I thought the meeting and the husts were good.

Mary: It's a rare time where husts have really added to the election process.

Laura: I just wanted to say that, I felt some of the questions could have been seen as quite aggressive and leading.

Jack: Well, their manifesto needs to be more properly scrutinised when only one person is running. Overall it was good though.

LUNAR NEW YEAR

Jeremy: The Lunar New Year event is happening in the bar, I've got a few people to perform, we'll have food! I haven't been told not to have cash prizes, so hopefully that can go ahead.

Becki: Are you going to want special toasties? I'll speak to Alice and let you know what she thinks.

DREAM SCHEME

Alistair: Finn Comm had our Dream Scheme meeting yesterday to decide which ones to go forward to the JCR with. They all got approved other than the external Summer Ball application. As the main point of this project is to spend financial reserves, all the other projects were accepted because they are long-term investments in college. In that case, we didn't think it would be fair to only invest in something for a one off event that caters to just 400 of the JCR. It was also double the price of the next most expensive application.

Nat: How will the vote work?

Alistair: It will just be 'Yes/No'.

SU ASSEMBLY

Nat: I had SU assembly, but nobody came. So I'm just going to run through the motions now.

Discusses upcoming motions including University living wage, rent strikes, extra-curricular communications, student worker rights, marriage equality, rising accommodation costs, and new student groups

ALISTAIR'S UNPLUGGED-RELATED IDEA

Alistair: It would be nice if we could have an Unplugged set list on the JCR Spotify, any objections?

Laura: Sounds like a good idea!

Grover: It has been proposed that the bar might get a Spotify account too.

Becki: How would it work?

Alistair: Myself, Saška and the Music Rep would be in charge of the log-in and we would give this to you as needed.

JCR CALENDAR

Danielle: I know that there was a post on instagram, but I realised that nobody knows the dates of formals, that might explain why this one was undersubscribed.

Saška: We can add formal priority to the post I'll make on the Instagram
