**ABSENT**

---

**Daniel Thomas** Publicity Officer

*Minutes taken by Alexander Grover in Daniel's absence*

**Grover: Nothing.**

**Mary:** Dan's report: He can't put up trevs map. College Officer won't allow it due to 'aiding criminals' if they could see it.

CM: Seems silly given old face wall

NK: Map has finance office on it – that does count as security risk thing.

BS: Does Dan know?

Yes

**Mary Report:**

We did get money for post offer visit days.

Something about a stall for outreach stuff on Palace Green. Community engagement event.

Went to development meeting. Long. Not helpful

Tier 1 & 2 meting happened. 'useful'

**Christian Report:**

Organising diss open mic night.

**Laura:**

Shag Week coming up

C-Card people coming in soon. Need people to use it otherwise it isn't really going to keep happening

**Becki:**

Buttery continues!

Someone asked if Buttery would help raise money for charity by delivering toasties. Might do this at some point.

**Nat:**

SU assembly happened. All the things passed. Nothing controversial

SU elections coming up. No Trevs people. Most contested. Only one person for SU president

On Wednesday, filming video on why people should vote in SU elections.

**Alistair:**

Treasury Comm cancelled due to Snow.

Fincomm on Sunday – nothing controversial

**Jeremy:**

Had Chat with ISA campaigns officer. Quite helpful. Meeting I had expected to have at the beginning of the year. Very useful. Talked about international housing. Most things still in planning phase. Problem that not every college has international rep in every college (or equivalent). Going to try and set up international Comm or some equivalent.

People have approached to be international rep.

Contacted by Mary's rep to organise debate. It was quick but it did happen. Went well. Shoutout to Fergus Barker for helping out.

**Saska:**

Trevs night being planned. Theme has been confirmed.

Spoke to Janice, because Trevs Night will be on a Friday, Cleaning by exec will be needed more urgently.

**Abi:**

same as usual. Livers out newsletter went out.

**Danielle:**

Menu set for Charity Dinner. Theme is out (Back to school). Applications should open tonight.

**Jack:**

Opened lots of nominations yesterday. People already applying.

### **Dream Scheme update:**

Dream scheme meeting happened. It was long.

Discussions with Ball Chair took place but FinComm maintained its decision to reject his application.

CM: Has he given any idea on how to raise money

AS: He probably can still do it with his budget. Only thing he couldn't do now is subsidise external meal.

His plan is still feasible, just whether up to him how it's done now.

JR: When do you want Dream Scheme application voting going up?

### **Assembly feedback:**

*Was covered in Nat's individual report*
